

Artiste Van Gogh™

The Artiste Van Gogh is a compact yet powerful framing Wash fixture with outstanding light quality that excels at accurate color reproduction. It is an ideal partner to the Profile fixtures in Elation's Artiste range.

The luminaire shall be a yoke moving head with a 380W 6,500K white LED engine with a CRI of 91 and an average LED life of 20,000 hours. The luminaire shall be capable of emitting 16,000 total lumens and include variable 16-bit dimming curves, dim modes and dimming delays. A CMY color mixing system with linear CTO color correction shall be included plus 7 dichroic colors. PC and Fresnel lens options shall be available with the possibility to resize the beam angle from 7° - 55° with the PC lens and 11° to 66° with the Fresnel lens. An internal 4-blade, full blackout barndoor module shall be included. The luminaire shall house a linear wash frost filter and high-speed electronic shutter and strobe. LED refresh rate shall be adjustable and the luminaire shall operate flicker free. The luminaire shall operate via DMX, RDM, Art-NET and sACN protocols and include a power saving hibernation mode. 5pin DMX in/out, RJ45 ethernet in/out and locking power in connections shall be included. The luminaire shall include a 6-button touch control panel with full-color 180° reversible menu display which is battery powered. Max power consumption shall be 600W and a multi-voltage universal auto switching power supply shall be included. The luminaire shall be outfitted with a USB firmware service port. It shall measure 400mm x 284mm x 669mm (LxWxH with Fresnel lens) and weigh 28.5 kg.
